

CESSNA 182 ASSOCIATION

It is with great excitement that Gabriela and I present the details for the Fly-in planned for March 2018 at Clare Valley.

The arrival will commence on Tuesday 13th and departure will be on Friday 16th.

Accommodation has been arranged at two venues.

Option 1)

Comfort Inn Clare Central, 325 Main North Road, Clare. Phone 08) 8842 2277

This is our preferred Motel. All rooms are very comfortable and is an easy 10 minute walk to the township. 24 rooms have been allocated.

From \$139 per night and breakfast \$10 or \$18 cooked.

Option 2)

Clare Country Club. White Hut Road Clare. Phone 08) 8842 1060.

This is very well appointed, with a wide range of accommodation options from Motel style to self-contained Units. It is immediately adjacent to a Golf Club.

I will be arranging a 'taxi' service with members cars to assist transport needs.

The disadvantage is that it would be a brisk 30 minute walk to the township.

Strongly recommend to book your accommodation promptly.

The programme for the Fly-in will include time for socialising, an introduction to the early settlement of the region, wine tasting at small boutique wineries, and specially conducted tours of historic interest. We will be visiting the neighbouring township of Burra where a number of motion pictures have been shot as well as an historic copper mine operating in 1880. We will have our own private tour conductor.

The Dinner on the Wednesday evening will be held at a small boutique family owned winery overlooking a very picturesque valley.

The highlight of the week is that I have been privileged to arrange a tour of a large property that is not open to the public, that consists of breeding chickens, an enormous hay processing facility, a vine yard and a tasting of their wines.

And lots more. This will be a fun week.

A representative from Garmin will be giving a demonstration at the airport on arrival.

Clare Valley Aerodrome is very well appointed with an all-weather strip and Club facilities.

Details can be found at; www.clarevalleyaerodrome.com.au

And ERSA ; Clare Valley YCVA

Fuel will be available from drums. Approximate quantities will be required prior to the event.

Very much anticipating a great week in Clare,

Tony and Gabriela
